2016 CAPA SUMMER MOVIE SERIES LINEUP ANNOUNCED

Movie Ticket Strips On Sale Now

The CAPA Summer Movie Series, the longest-running classic film series in America, celebrates its 46th anniversary in 2016 with an impressive assembly of classics, cult favorites, and beloved films. The 2016 series, made possible through the generous support of PVS Chemicals, will run June 10–August 7 at the historic Ohio Theatre (39 E. State St.) and will feature 25 films over nine weeks.

2016 highlights include 10 series premieres, a silent film with live musical accompaniment, two Saturday mornings of classic cartoons, a Woody Allen Comedy Double Feature, and the return of Fright Nite Friday.

On Friday, June 24, local TV and radio legend Fritz the Nite Owl returns to host the Fright Nite Friday double feature of *Theatre of Blood* (1973) and *The Tingler* (1959). Patrons will have the chance to meet Fritz in the lobby before and after the screenings, and he'll also introduce both films.

The 2016 silent film presentation will be *Sunrise* (1927) and feature live musical accompaniment by organist Clark Wilson on the Ohio Theatre's famed "Mighty Morton" theatre organ. The silent film will be shown Thursday and Friday, July 14 and 15.

The popular Cartoon Capers also return on Saturday, June 25, and Saturday, July 23. Both showings will begin at 10 am and feature classic Warner Brothers and MGM cartoons.

Digital Presentations

All efforts are made to screen films in 35mm whenever possible; however, distributors are increasingly switching to digital-only distribution, so some of the 35mm presentations on the Series may be patrons' last chance to see them in the older format.

Digital presentations for 2016 include *Mommie Dearest*, *Raiders of the Lost Ark*, *Patton*, *Ghost*, *Zelig*, *The Third Man*, *Where Eagles Dare*, and both Saturday morning cartoon programs.

Show Tunes

Clark Wilson, official organist for the CAPA Summer Movie Series, will once again provide pre-show and intermission entertainment for each screening at the keys of the Ohio Theatre's "Mighty Morton" theatre organ 30 minutes prior to show time.

Now celebrating his 25th CAPA Summer Movie Series, Wilson has been named in numerous Who's Who and Men of Achievement editions and was the 1998 American Theatre Organ Society (ATOS) Organist of the Year. An acclaimed organ technician and consultant, he has also been professionally involved with more than 200 pipe organ installations to date and has earned the ATOS Technician of Merit award, the only person to receive both ATOS distinctions.

Organist David Fleisher will also provide live organ accompaniment at select movie screenings.

Audio-Described Movies

Select films on CAPA's 2016 Summer Movie Series will be audio-described for visually impaired persons at no extra charge. Audio description allows patrons to hear a scene-by-scene narration of the on-screen action while they listen to the movie dialogue. For more information, contact Keisha Dean at (614) 469-1045.
