Living, breathing art.

CAPA thanks those who have selflessly contributed to help fund the renovation and creation of this new performance venue.

Our wish is to create a public and enduring record of the generous supporters. Accordingly, select areas of the future facility have been earmarked for commemorative and memorial naming purposes.

A naming opportunity represents the chance for individuals, families, and corporate partners to help write a remarkable chapter in the history of this important and historic building.

The following is a list of naming opportunities for gifts of different amounts. A suitable plaque, inscribed according to the wishes of the donor, will mark each named location.

Note: Amounts indicated do not necessarily reflect actual construction costs; rather, they are an indication of the memorial or tribute value. Donors will be offered a selection of commemorative naming opportunities based on the amount and date of their gift commitment.

Donor's Wall

As a permanent reminder of the generous donors who make gifts of \$10,000 and greater, a timeless Donor Wall will be prominently located in the Vestibule. For generations to come, this wall will tell the story of donors' generosity. Each inscription will highlight an individual, family, or corporate partner donor's name.
