In 1969, the group of individuals that saved the Ohio Theatre from the wrecking ball decided to call the new organization the Columbus Association for the Performing Arts (CAPA). This was a conscious decision to create an organization that was more than a building (even one as beautiful and historic as the Ohio), with a mission to serve Columbus and central Ohio through the full spectrum of performing arts.

For over 55 years, CAPA has been working to fulfill that mission, enriching lives through exceptional performances and programs, in our theatres and in our community, at events like Festival Latino. In recent years, this has evolved to include producing exciting local works, such as our collaboration with Short North Stage to return the beloved holiday tradition of *A Christmas Carol* to Columbus, and bringing once-in-a-lifetime arts events to our community, like the incredible and powerful *Walk with Amal* in September 2023.

Creating unforgettable performances and programs is how CAPA serves our community. As you will see in this report, the 2023–24 season was full of spectacular arts experiences that reached individuals of all ages and backgrounds from throughout central Ohio and beyond. We are proud to share this report with you, because you, our partners, make it all possible.

And we are just getting started! We continue planning events and building new partnerships throughout the community that will create exciting performances and experiences in the future. We look forward to working with you to fill our dynamic, growing community with living, breathing art.

On behalf of everyone at CAPA, thank you for your support of all that we do.

WALK WITH AMAL

CAPA partnered with the City of Columbus, US Together, and Welcoming City to bring Little Amal, a 12-foot animatronic puppet representing a 10-year-old Syrian refugee, to Columbus as part of a national tour. Described as one of the largest-scale art projects in history, bringing this global production to Columbus was a major undertaking for CAPA and our city, and an unforgettable experience for the hundreds of attendees.

A CHRISTMAS CAROL

In 2023, we brought back the holiday tradition of *A Christmas Carol* to Columbus as a new, locally-produced production, in collaboration with Short North Stage. The production also toured to New Haven, CT. Our collaborative production of *A Christmas Carol* will return to the Ohio Theatre for the 2024 holiday season, with updates in response to audience feedback from the premiere.

ACCESSIBILITY updates in our theatres include a nursing station (shown below) and a gender-neutral restroom in the Ohio Theatre, braille programs for performances, and partnering with KultureCity, the nation's leading nonprofit on sensory accessibility and acceptance, to make our venues inclusive of individuals with invisible disabilities, such as PTSD, autism, or dementia.

On June 1, 2024, the stage of the Ohio Theatre was the setting for the annual CAPA Gala Celebration. It was a wonderful evening, and we loved seeing everyone come together to honor the Crane Family and their legendary support for the arts community. Michael Feinstein's performance and hearing about the impact of the Columbus arts community on his life and career was captivating.

A heartfelt thank you to our Honorary Gala Co-Chairs, Lisa and Jeff Edwards, and to everyone who contributed to raising much needed funds for CAPA! Together, we raised over \$260,000 to support CAPA's artistic and educational programs.
