CAPA

Education & Outreach

We hope this finds you healthy and enjoying the warm weather!

This Spring, COVID-19 brought changes to almost every facet of our lives. As we look forward to a future when we can reopen our theatres and programs, this pandemic has given us the gift of finding new and exciting ways to engage our community. In this edition of our quarterly newsletter, we share one of those new ways—our Marquee Awards Senior Celebration. We also give you a preview of the 2020-2021 Passport to Learning Series and wrap up the 2019-2020 Season.

MISSION

CAPA's Education & Outreach programs enrich the lives of central Ohio residents by providing free and low-cost creative experiences that are varied, diverse, and accessible. We believe everyone in our community deserves to experience the transformative power of the arts and our many community collaborations enable us to fulfill that belief.

2020 CAPA MARQUEE SENIOR CELEBRATION

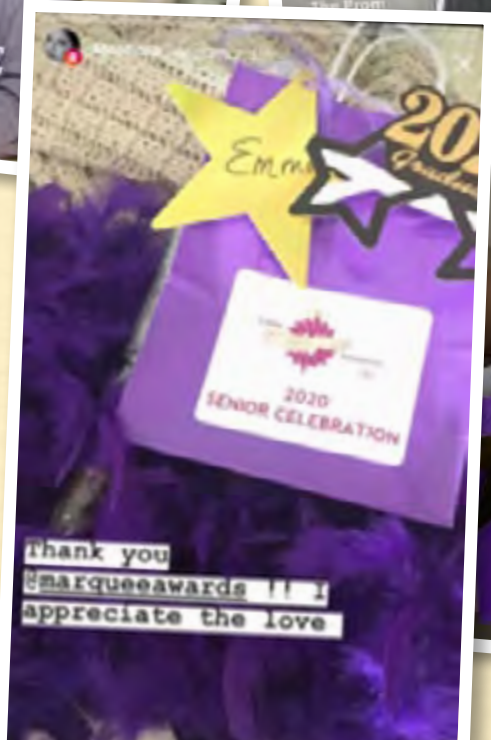

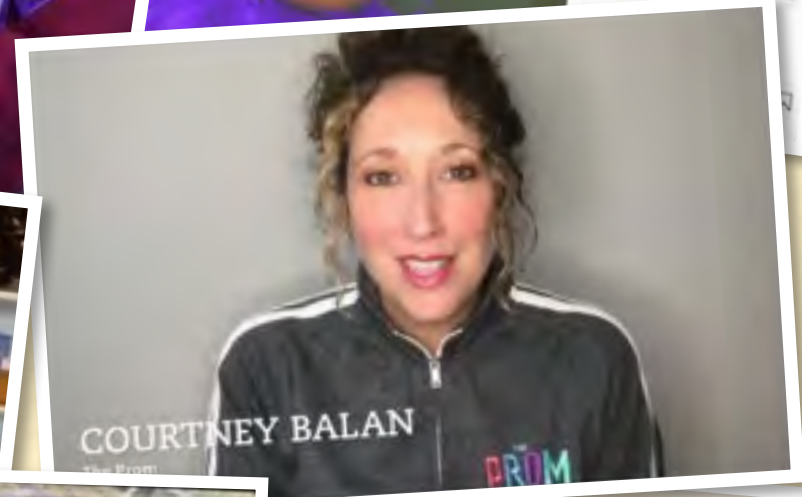

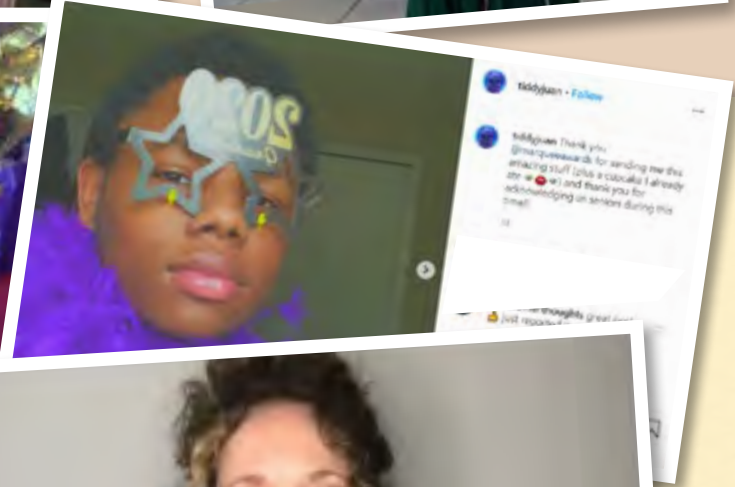

Powered by 

On May 18, the CAPA Marquee Awards Powered by AEP Foundation hosted a Senior Celebration on our web site and Facebook page. 79 seniors from 17 of our 19 schools participated in the event that highlighted performance, design, technical theatre, student orchestra, and management.

The celebration featured photos and videos, messages from the schools' directors, interviews with seniors, some surprise VIP shout-outs from the Broadway community and local Columbus celebrities, and a very special virtual musical performance of "On My Way" from the musical VIOLET.

As part of the evening's celebration, we delivered celebratory swag bags to the home of each participating senior, and changed the marquee of the Ohio Theatre to congratulate the class of 2020.

Announcing the 2020-2021 Passport to Learning Series

On April 7, we announced the 2020-2021 Passport to Learning Series—which is our 10th season producing student matinee performances! Due to its overwhelming popularity, we are expanding the series and increasing our offerings of high school, middle school, and STEAM-based shows.

Despite the challenges that COVID-19 presents, we are committed to providing student matinee

performances and educational opportunities during the upcoming school year and are exploring all the ways we can safely do this. We are working with teachers and families to create resources and educational arts experiences that will best serve their needs during these times. Tickets for the series will go on sale August 3, and we will update you on any changes in the coming months.

The Miraculous Journey of Edward Tulane

Edward Tulane was the most exceptional toy in Abilene's room. He was adored, and he was happy. But then, one day, he was lost. Based on Newbery-winner Kate DiCamillo's beloved book, this is a story of finding friendship, finding yourself, and eventually finding your way back home.

Doktor Kaboom and the Wheel of Science

Doktor Kaboom is having trouble picking his favorite science demonstrations, so he's bringing them all! Doktor Kaboom has built a great big spinning wheel and wherever the wheel stops, that's what's next! Will we turn a water bottle into a rocket or catapult bananas across the stage? Electrocute a pickle or create artificial gravity? Who knows? No two shows will be the same. So, step right up, and let's spin that wheel!

AMERICAN ELECTRICITY FUTURE FOUNDATION

The Mayhem Poets

Having been dubbed "an amazing ride" by *The New York Times*, the Mayhem Poets have been described as "The Simpsons meets Malcolm X at a Notorious B.I.G. concert." These virtuosos seamlessly blend raw elements of hip hop, theatre, improv, and stand-up comedy to tell gut-wrenching truths that leave audiences forever changed.

Are You My Mother?

At long last, Baby Bird emerges from her shell and expects to be greeted by her mother's song. But her mother is not there. With the help of Dog, Cat, and Hen, Baby Bird sets out in search of Mother Bird in this colorful musical adventure based on P.D. Eastman's whimsical and well-loved picture book.

Full STEAM Ahead with Mister C Vol. 2—The World in Motion

Back by popular demand, Mister C returns with Volume 2 to help audiences find more exciting and engaging ways to explore STEAM (Science, Technology, Engineering, Art, and Math) in our everyday lives. Students and teachers will be amazed with this fun and educational performance as Mister C uses humor, media, and the engineering design process to make the ordinary extraordinary!

Fri., March 5, 2021 • 10 am & 12:30 pm

The Princess and the Pea

Princess is introduced to the King and Queen's court just in time to vie for the prince. But her arrival in a rainstorm leaves the Queen to doubt her worthiness as a match for her son. This retelling of the beloved Hans Christian Andersen tale of acceptance and love will prove that staying true to who you are is the key to true happiness.
