About the CAPA Marquee Awards

The CAPA Marquee Awards celebrates the accomplishments of area high school teachers and students by recognizing achievements in productions by participating Columbus area high schools. To participate, schools register to have their productions reviewed by a qualified team of adjudicators, who then provide directors with valuable feedback. During the spring, CAPA will present an awards showcase to recognize the outstanding achievements of high school productions and students. Modeled after the Tony Awards®, the showcase features outstanding performances from participating high schools and celebrates their enthusiasm, dedication, and talent while encouraging participating schools to grow and continue improving their programs. To learn more, please visit www.capamarqueeawards.com.

Purpose

The CAPA Marquee Awards and Awards Showcase are designed to **celebrate**, **support**, and **advocate** for high school musical theatre education throughout the Central Ohio community.

Goals

1. To recognize, honor, and encourage excellence in high school musical theatre through a constructive review process of nominated productions by qualified adjudicators;
2. To deliver educational workshops and advancement in dance, voice, acting, and stagecraft for high school students locally, regionally, and nationally;
3. To offer professional development and networking opportunities for students, directors, and school programs;
4. To give students an opportunity to perform on a CAPA stage;
5. To create positive attention for theatre arts and music departments at local schools and school districts; and
6. To showcase the importance of theatre arts education in our schools.

Diversity, Equity, Access & Inclusion

CAPA believes in the power of diversity - we can only achieve our vision to make Columbus a destination for living, breathing art when we include everyone. CAPA is committed to presenting art that brings people from all backgrounds together to experience the transformative power of the arts. In the same spirit that we celebrate the many forms of performance art on our stages, we value, appreciate, and celebrate all human beings in our community.

CAPA recognizes that there are cultural and systemic barriers that prevent complete inclusivity and equity. CAPA's Diversity and Inclusion commitment is to progressively and continuously work to identify those barriers and intentionally adapt our practices, demonstrate our efforts, and measure the results to promote inclusion and equity.

The CAPA Marquee Awards believe to enrich the artistic experience, educational theatre must make room on the stage, around the production table, in the orchestra, behind the scenes, and through the adjudication process for those with different backgrounds, sexual orientation, identification, cultures, and capabilities. We believe that we are enriched by the unique perspective all people bring to the arts.

About Columbus Association for the Performing Arts (CAPA)

Columbus Association for the Performing Arts (CAPA) aims to present and produce artistic programming of the highest quality to serve and educate diverse audiences and feature renowned artists of all cultures; operate and maintain world-class performance venues; strengthen our arts communities by providing facilities for resident companies, and through partnership and collaboration, support those organizations; and bolster the economy of the community we serve.

Adjudication Overview

The CAPA Marquee Awards will provide adjudication for participating high schools located in seven counties throughout central Ohio. The seven counties are Delaware, Fairfield, Franklin, Licking, Madison, Pickaway and Union. Adjudicators are responsible for evaluating high school musical theatre productions. Evaluations consist of educationally focused feedback and scoring. This season, we intend to have a core group of adjudicators who will adjudicate at least five shows each. The remaining adjudicators will be assigned to the general adjudication pool. The total number of adjudications each adjudicator will be assigned will be based on experience, scheduling, availability, and the number of schools that register for the program.

Meetings & Important Dates

Returning Adjudicators are required to attend an orientation session on Zoom on **Monday, September 12, 2022** from 6-7 pm.

New Adjudicators are required to attend a training session on **Thursday, September 29, 2022** from 6-9:30.

All Adjudicators will be given two (2) complimentary tickets to the Awards Showcase the evening of **Thursday, May 25, 2023** at the Ohio Theatre.

Compensation

Adjudicators will be paid an honorarium of \$50 per show. New adjudicators must complete one successful training adjudication to be paid at a rate of \$25 before becoming an official program adjudicator. Adjudicators who complete five or more adjudications will also receive a \$50 bonus.

Honorarium payments will be processed and issued as one check no later than May 1, 2023. Completed tax documentation will be required for payment to be issued.

Adjudicator Web Portal

The adjudicator web portal is a password protected page on our website where adjudicators can access adjudication documents and schedule.

Here are the instructions to access the Adjudicator Portal:

1. If you are a returning adjudicator, please use the login and password from last year. If you are a new adjudicator, you will receive an email from "CAPA Marquee Awards" with information for how to complete your registration.
2. Once you have completed your registration, visit www.capamarqueeawards.com.
3. Click 'log in' from the top right area of the website.
4. Once logged in you will have access to the adjudicator portal content.

Adjudicator Scoring

Each adjudicator will receive a confidential password and a secure link from CAPA staff which will be used to access your individualized evaluation(s). When the link is clicked on and the password is entered, it will allow you to complete your evaluation. **It is critical that you do not share this link or your password with anyone.**

Scheduling

Adjudicated high school musical theatre productions take place between **October 13, 2022-April 15, 2023**. All scheduling will be completed by the CAPA Marquee Awards staff based on adjudicator availability, experience, conflicts of interest, and program needs. *If you need to change one of your scheduled adjudications, you must notify us no later than two weeks prior to the production date.* If an emergency change must be made (less than two weeks prior), you are required to call CAPA directly. **Making more than one emergency change in a season, may impact your ability to remain an adjudicator.**

In addition to the main three adjudicators for each show, we will also assign one alternate adjudicator for each show. The alternate adjudicator will be on-call and will need to be available to attend the show if called upon.

New Adjudicators

New adjudicators are required to complete one training adjudication before they may officially adjudicate a show for the program. Training adjudications will be scheduled by the CAPA Marquee Awards and will be paid a rate of \$25.00. Training adjudicators will need to evaluate the production and submit their evaluation as if they were one of the main adjudicators for the performance. Upon completion, we will review your scoring and evaluation comments and will contact you with any feedback.

Production Information Form

Approximately 2 weeks before the adjudication date, the **Production Information Form** will be emailed to you. The **Production Information Form** will include eligible adjudication categories, names of students/characters to be evaluated in leading and supporting roles, show run times, driving directions, instructions for parking and locating the ticketing area, etc. Please be sure to read through the school's **Production Information Form** before attending the performance.

Tickets

For each performance, the participating school will reserve two (2) complimentary tickets for each adjudicator attending the production. However, if you are completing a training adjudication, you will only receive one (1) complimentary ticket. High schools will hold comp tickets under "CAPA Marquee Awards" for adjudicators to pick up when they arrive at the performance venue. In most cases, seating will be general admission. Adjudicators should contact CAPA Education with any special needs or requests regarding seating.

Attendance Procedures

The day of the performance, adjudicators should arrive at least 15 minutes before curtain and must remain throughout the duration of the performance. Adjudicators should make best efforts to maintain anonymity and no oral critique should be provided. If adjudicators are unable to attend any of the productions they have been assigned, they must contact Amy Handra immediately at ahandra@capa.com or by calling 937-422-4062. **If you must cancel 72 hours or less before the scheduled adjudication, you MUST contact Amy directly on her cell phone at 937-422-4062.**

Confidentiality

Adjudicators must not discuss their opinions, evaluations, scores, or feedback with anyone in any format. This includes, but is not limited to, students, faculty and staff from participating high schools, colleagues, friends and family, other Adjudicators, reviewers, social media networks, etc. Please contact CAPA Education with questions about confidentiality.

Conflicts of Interest

A Conflict of Interest (COI) is defined as *a situation in which a person or organization is involved in multiple interests, financial or otherwise, one of which could possibly distort the motivation or decision-making of that individual or organization.*

Adjudicators must agree to uphold CAPA's Conflict of Interest policy and should not allow personal preferences or bias to influence evaluations. In accordance with this policy, Adjudicators should not have a personal or professional relationship with participating high schools' theatre production or with a specific student or staff member involved with production. If an Adjudicator thinks a conflict of interest might exist, the Adjudicator must disclose it to CAPA on the **Conflict of Interest Form**. If the Adjudicator has already been assigned to adjudicate a show and a conflict emerges, the Adjudicator must contact CAPA immediately. Definitions and examples of potential conflicts of interest include, but are not limited to:

Professional Conflicts of Interest

This includes employment, receiving or providing compensation, gifts, financial support, favors that are substantial in nature, or donations from participating high schools. This also includes board connections, organizational partnerships, volunteer work, business ties, financial investments, or any other professional ties that might positively or negatively influence the evaluation.

Personal Conflicts of Interest

Examples of this type of conflict of interest include alumni status (if evaluating that high school's theatre production), the involvement of immediate family members, spouses, partners, siblings, parents, children in participating high schools' theatre productions, or any other personal ties that might positively or negatively influence the evaluation.

Evaluation Guidelines

Adjudicators will evaluate the overall musical theatre production, direction, ensemble, student orchestra, dance execution, technical execution, and performers in leading and supporting roles. Adjudicator evaluations consist of written feedback and scores. Adjudicators are prohibited from sharing feedback or scores with schools directly or providing an oral critique following the performance. No later than 72 hours before the performance, the link to the Production Evaluation Form where adjudicators will enter their written feedback and scoring decisions will be emailed along with the password to access the form.

Adjudicator evaluations must be completed within 72 hours of attending the production or by NOON on April 17, 2023, whichever comes first.

Reference Materials

When entering feedback/scores, please reference the evaluation rubrics on pages 9-15 which provide *detailed* criteria for evaluating each category. The rubrics are also available for download on the Adjudicator Portal. The school's Production Information Form features the names of the characters/students being evaluated in lead/supporting roles, notes on any specific feedback the director might want, and other details. The school's program book (or playbill) is also valuable, as well as any notes you might have taken.

Feedback

The purpose of written feedback is to provide each Theatre Director with detailed notes in the hopes of commending the notable achievements of the production and offering solutions to the aspects where the production could improve. This is an educational tool, not strictly a review or critique. To ensure that feedback includes both praise and constructive criticism, we require each Adjudicator to write at least 3 sentences of feedback identifying at least **3 areas of strengths** and to write at least 2 sentences of feedback providing at least **2 suggestions for improvement for EACH adjudicated category**. Please include examples to support comments and be as detailed as possible. Feedback should not mention or allude to scoring decisions and should not focus on areas that are outside of an individual student's or group of students' control. Adjudicator feedback will be reviewed by CAPA Education before being forwarded to Theatre Directors. If appropriate or thorough feedback is not provided by an Adjudicator, CAPA Education will contact the Adjudicator to make appropriate adjustments and resubmit the adjudication form.

Actor / Actress

For the purposes of the CAPA Marquee Awards and the Jimmy Awards®, students are adjudicated in the category corresponding to their gender identification, not the gender of the role they are playing. *(For example, a female-identifying student recognized for a performance in the role of Tevye in Fiddler on the Roof will be nominated in the Best Actress in a Leading Role category).*

Non-Binary and Gender-Fluid Performers

For the purposes of the CAPA Marquee Awards and the Jimmy Awards®, students identifying as non-binary or gender-fluid may choose to either select the category in which they wish to be adjudicated (regardless of the gender of the role) OR they may be adjudicated based on the gender of the role they played.

Scores

Scores will be used to determine winners in each adjudicated category. Scores will not be shared with schools and are strictly confidential. On a scale of 1-10 (with 1 being the lowest score and 10 being the highest score), adjudicators will rank how well the evaluation criteria are executed by using the scoring rubrics on pages 9-15. Using the rubric and the scoring scale as a guide, adjudicators will evaluate how each production meets or exceeds its potential based on the available resources and provide a numeric score and the required educational feedback for each eligible category. To reduce the chance for potential ties within a category, please utilize quarter points when appropriate (i.e. 5.25, 5.5, 5.75 etc.), and avoid the temptation to round to even 6's, 7's, 8's etc.

Steps to Fill Out Your Online Adjudication Form:

1. No later than 72 hours before the production, you will receive an official email with a secured link to a survey for the production you are adjudicating. This link is connected to your email, so please do not share. This survey will have all the elements for adjudication including Overall Production, Acting Categories, Ensemble, Orchestra, Dance Execution, Technical Execution, and Direction.
2. Please refer to "How Should I Rate It?" on page 7 and the Individual Category Rubrics on pages 8-14 for guidance.
3. Once you have completed your adjudication form, it will be sent to the CAPA Marquee Awards for tabulation. If there is an error or some other technical challenge, please contact CAPA staff to assist you. *Also, your feedback matters.* Please remember to keep your notes and observations detailed, constructive, and positive. Adjudicator feedback will be reviewed by CAPA staff before being forwarded to Theatre Directors, and if necessary, will be returned to the Adjudicator to make appropriate adjustments.

Please note: You do not have to complete the survey in one sitting; it will be possible to fill out a portion of the survey and then return to it.

Steps in Adjudication Process

Before Seeing a Show

- Once you have been assigned the shows you will be adjudicating, think about who might go with you. Adjudicators are given two comp tickets to performances.
- Be sure to read the Production Information Form CAPA has sent you before attending the show. This will give insight into the budget, special challenges faced, resources, etc. Please also be sure to read a synopsis of the musical if you are unfamiliar with it before attending.
- Please make sure you have directions to the school and ticketing area.
- Please report to the ticketing area and let the attendant know that you are there to adjudicate for the CAPA Marquee Awards. They should have your tickets ready for you. ***If you run into any issues, please call Amy Handra or Crystal Satterfield on their cell immediately.***

➤ While at the Show

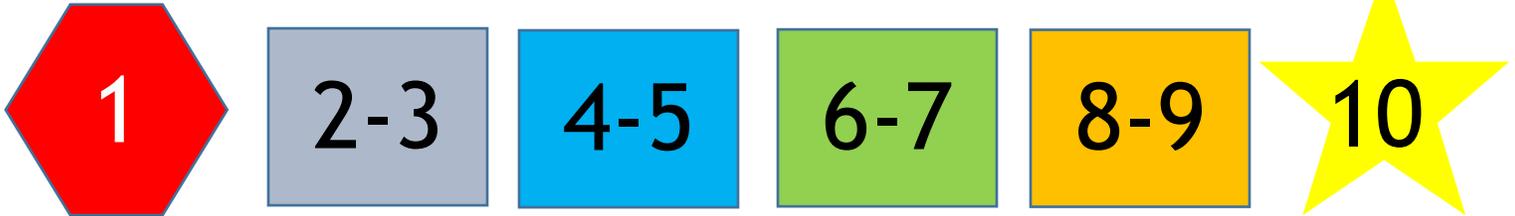

- Before the show starts, take the time to look over the program to see who and what you are adjudicating.
- Enjoy Act 1! Make mental notes as you are watching, but do not commit yourself to any final judgment until the conclusion of the performance. You can make some notes during intermission, but you should not commit to any scores until after the show. You should also refrain from discussing specific aspects of the show during intermission or any time you are in the building where others can hear you.

After the Show

- If you do talk to any of the cast or production staff, do not offer advice or critique what was done. As an Adjudicator, you should not discuss any specific scores or feedback with anyone. If you are asked for feedback, politely say that you are not permitted to discuss the performance and that all feedback will be sent from CAPA to the contact person after the nominations are announced.
- As a requirement for being a CAPA Adjudicator, you must submit your official ballot online within 72 hours of seeing the designated performance or by NOON on April 17, 2023 whichever comes first.
- Use the rubrics enclosed in this packet on pages 9-15 to make your score assignments. Remember what a 100 represents, a 75, a 50, etc. Be fair when giving one actor a 72, and another a 53. Do the scores balance out? Consult the rubric in your packet. And, please remember to try to avoid giving all rounded scores.
- All shows must be adjudicated on their own merits. Are you being too critical? Too easy? Are you considering all aspects of the show fairly and are you judging based on the scoring rubric or what you personally think is good?
- *Your feedback and ideas matter to the participating schools and will be used as a valuable educational tool!*

How Should I Rate It?

This rubric is meant to be a simple guide for CAPA Marquee Award Adjudicators to help rate each production on its own merits. Adjudicators should evaluate how each production meets or exceeds its potential based on the available resources and provide a numeric score and educational feedback. To reduce the chance for potential ties within a category, please utilize quarter points when appropriate (i.e. 5.25, 5.5, 5.75 etc.), and avoid the temptation to round to even 6's, 7's, 8's etc. Please note: Scores will not be shared with schools and are strictly confidential.

Ratings of 1: This means that the performance did not meet the basic requirements.

Ratings of 2-3: This means that the performance or aspects of the production/performance were **below average** or below expectations for the rest of the performance/production.

Ratings of 4-5: This means that the performance or aspect of the production were **average** or not exceptional. If you give a 4-5 that means you feel that the performance or aspects of the production/performance are not worthy of any special recognition.

Ratings of 6-7: This means that the performance or aspects of the production/performance were **above average**. Ratings of 6-7 means that you feel the performance or aspects of the performance/production might be worthy of special recognition.

Ratings of 8-9: This means that the performance or aspects of the production/performance were **excellent**. Ratings of 8-9 mean that you feel the performance or aspects of the performance/production are worthy of special recognition.

Rating of 10: This means that the performance was **truly exceptional!** This rating should be very rarely given and should only be used for truly outstanding performances. Ratings of 10 mean that you feel that the performance or aspect of the production/performance was perfect and is deserving of the highest recognition.
