In *Peppa Pig’s Surprise*, it’s a lovely day and Peppa is playing outside with her friends. Mummy Pig and Daddy Pig have got a surprise for her and her younger brother George, but no matter how hard they try, they cannot guess what it is. Audiences will enjoy interactive fun, games, and of course, many surprises. The live show encompasses the charming, colorful nature of the incredibly popular television series, and features brand-new songs and life-size puppets that walk, talk, dance, and jump up and down to give audiences a unique, interactive theatrical

experience from the moment the curtain opens. The fun-filled show brings the hit TV series to life on stage, giving families the opportunity to engage with their favorite characters like never before in an unforgettable first live theater experience.

“*Peppa Pig’s Surprise* promises to be the perfect theater show for all preschoolers,” said Director Richard Lewis, who returns to adapt episodes from the hit TV show for stage as he did with the touring smash hit *Peppa Pig’s Big Splash*. “It’s been an incredible experience seeing the children’s reactions to the live stage show. It just confirms that Peppa Pig really is a worldwide phenomenon.”

“Audience response has been overwhelmingly positive to the first tour and we look forward to bringing Peppa’s story to life on stage once again with a whole new adventure,” said Jonathan Shank, Executive Producer, Red Light Management. “Kids love interacting with these characters on stage.”
